

The right tools and the right preparation will make your paint job easier and more enjoyable.

When you pick the color for your painting project, be sure to check your supplies.

Will you need...

- Sanders and sand paper
- Heat gun or liquid paint remover
- Rollers
- Paintbrushes
- Buckets
- Drip protectors for the paint can
- Drop cloths
- Coveralls
- Shoe covers
- Primer paint
- Paint strainers
- Paint scrapers
- Window scrapers

Or maybe you will need...

- Epoxy paint for an appliance
- Decorative paint pen for detailing a special area
- Pressure washers
- Metal scrapers for outside jobs
- Rustoleum for the outside furniture
- Paint for plastic
- Base coat
- Non-skid additives for a slippery floor
- Topside paint for your deck

The experts at Wickford Lumber and Hardware will make sure you get what you need and save you lots of return trips for the one thing that was forgotten!
